

2019 Hamvention Plans, HF Talk-In and Mobile App

It's time, or almost time for the 2019 Hamvention. This will be the third year I make the trip traveling from Pierre, South Dakota to the Greene County Fairgrounds. The previous two years were very exciting, especially the first year because I did not know what to expect. You can follow me on [Twitter](#), [Facebook](#), [Instagram](#) and [YouTube](#) for updates while I'm there and while traveling.

My Kenwood TH-72A will be on and it'll have GPS and [APRS](#) running. Let's see if APRS will work for me going across the country. I'll be interested to see how well it works.

Plans While I'm There

Anyone staying at [John Bryan State Park Campground](#)? That's where I'll be Friday and Saturday evening.

Mr. B will be staying at [Francis Kennels](#) during the day Friday and Saturday while I go to the Fairgrounds.

Biscuit AKA Mr. B

I'll be using the [2019 Hamvention Mobile Event Application](#) to organize my schedule while I'm there.

A few things I want to see are:

1. [The Yaesu FTDX-101D](#)

2. [RigPi Station Server](#)

3. The Flea Market

Of course there's going to be much more and I'll add things as I go.
